APRILIA MANA 850 GT

Available
to order now!

Dear Dealer,

After pioneering a completely new approach to motorcycling by introducing the Aprilia Mana with autodrive technology, we are excited to reveal that a sport touring version of the Mana is being introduced - the Aprilia Mana 850 GT, the single most adaptable and multi-form motorcycle on the market.

DESIGN

The Mana 850 GT stays ahead of an evolving market and gives you the opportunity to appeal to customers who demand the benefits of a half-fairing on a versatile means of transport across a wide range of practical, commuting and pleasure applications. The added aerodynamic protection comes complete with an adjustable screen giving comfort to both rider and pillion passenger. The Mana 850 GT is perfect for long distance touring and relaxed clutch free commuting to make this a true all-year, all environment bike.

- Innovative protective half fairing with adjustable windshield
- Storage compartments, one of which lockable, with easy access while riding
- Practical 12V socket to connect GPS, battery charger or heating accessories

TECHNICAL FEATURES

The technical characteristics of the Mana 850 GT raises the bar in the touring and commuting sector. A sophisticated ABS system is fitted as standard to offer confident braking in all conditions. Infinite riding styles can be indulged at just the press of a button on the handlebars enabling the rider to change from sequential (seven gears controlled from the handlebars or using the gear change pedal) to autodrive mode. The Mana 850 GT adapts perfectly to any type of route and riding style, whether this is relaxed cruising, city commuting or open road riding. What's more the Rain mapping with an extremely smooth power delivery, provides excellent assistance on wet and slippery roads making this a bike for all seasons.

The main characteristics of the Aprilia Mana 850 GT are:

- half-fairing with adjustable windshield
- 90° V twin engine with four valves per cylinder, Euro 3 homologated
- sportgear transmission: electronically controlled sequential gearshift offering two shift modes: seven speed manual or Autodrive with three mappings: Touring, Sport, and Rain
- storage compartment with non-scratch lining, large enough for a full-face helmet, with mobile phone holder, toolkit & document holder and 12V power socket
- under-seat fuel tank
- powerful brakes with radial calipers
- 43 mm upside down fork
- offset monoshock with spring preload and rebound adjustments
- steel trellis frame with single piece aluminium swingarm
- electronic fuel injection with single throttle body
- latest generation two channel ABS system.

COLOUR RANGE & PRICE

The Aprilia Mana 850 GT is available in the popular Nero Competition finish and priced at £6,999 (excluding OTR) with 2 years warranty as standard.

This excellent addition to the Aprilia range will give you the fantastic opportunity to attract riders demanding half-fairing protection along with all the practical and functional advantages the standard Mana offers.

We anticipate positive launch reviews will drive demand for this model - **place your order today!**

Your sincerely
